

BARRINGTON POLICE DEPARTMENT
774 FRANKLIN PIERCE HIGHWAY
BARRINGTON, NH 03825

Chief George Joy
Emergency Dial 911

Phone (603) 664-7679
Fax (603) 664-5024

Item	Cost/Unit (app.)	Total Cost
Workstation Computers	\$1,000	\$8,000
This does not include the AA's station. We replaced her work-station with a laptop this year.		
Patrol PC	\$5,000	\$30,000
Currently have four that are approaching the end of 5-year lifespan. One a year newer. Should add one so that all patrol vehicles are outfitted.		
Mobile Radios	\$4,500	\$36,000
Currently have two which are not serviceable once they die.		
Portable Radios	\$3,400	\$40,800
Currently have 11 serviceable units, but newer generations are out. One (Chief's) is outdated. Strafford County is currently working on rebuilding the entire radio infrastructure and some radios may not be compatible with the new system.		
Tasers	\$1,800	\$21,600
Units are still "serviceable" beyond the 1 year warranty. Taser will not back BPD beyond the 5 year service life. We currently only have one unit within warranty.		
Custom Signals Radar	\$1,750	\$14,000
Currently have a mixture of radars/ages. There are only two "newer" radars in the fleet.		
Evidence Refrigerator/Freezer	\$600.00 (approximately)	\$600.00
Current evidence refrigerator is at capacity and is aging. We will need one more now for storage.		
Firearms (sidearms)	\$500.00 (approximate, today's value)	\$12,000
Our current sidearms are approaching 3 years of age. We will be looking at replacement within 5 years		
Radar Trailer/Message Board	\$6,000 (low estimate)	\$6,000
BPD has talked of this for several years. Traffic complaints are becoming more common with growth in Town and the message board has multiple uses for multiple Town departments.
